## Outreach

### Hillcrest Housing Team

Connect with our Hillcrest Team! The Rock sponsors an apartment in Platte City through the Hillcrest Transitional Housing Program to help the homeless transition into self sufficiency. About every 3 months we have a new resident move in. Just prior to that we send a few people over to clean and tidy up the apartment and identify any needs or repairs we might need to make. We try to keep any repairs in the family to minimize costs. We then provide a meal for the new family shortly after they move in. You can also assist the program by mentoring; leading classes for the residents on skills to assist them in their move to self sufficiency; invite the resident's to church, youth programs and other outreaches at the Rock. If you would like to be part of this exciting ministry team, please contact Donna Wight at 816.678.5156 and find out how to get involved.

### World of Warcraft

Come find out what a "church without walls" is truly like. If you are one of the 10 million people who play World of Warcraft, we invite you to join our ministry outreach and help us be "salt and light" in this virtual world. We are a Christian Guild with over 80 members from all over the world. We encourage, challenge and pray for each other as well as share Christ with others. This ministry continues to grow adding new members every week.

### Let Your Light Shine

Has the Lord put the homeless and down-trodden on your heart? Often wish you could do more to extend Christ to those who may not know Him? Come go with us to downtown KC as we share sack lunches and other necessities to those on the streets in need. We meet every Sunday, following 2nd service, and usually return by 4 pm. Can't go but want to help? Be a part of our support team that helps put together sandwiches, bake cookies and other behind the scenes activities that truly make a huge difference. Of course, monetary donations and/or goods are always welcome!
